

CUSTOMER STATEMENT REGARDING U.S. EXPORT COMPLIANCE

Customer understands that the Photomask(s) being purchased from Photo Sciences, Inc., are subject to export controls the U.S. Export Administration Regulations (EAR), 15 CFR Parts 730-774, and the laws of the United States.

Customer warrants that the Photomask(s) will be used by the Customer in the form in which they are received, and that the photomask(s) will be used in the manufacturing process in the country indicated by the Customer as the shipping address in its order.

Customer warrants the specifications provided to Photo Sciences, Inc. for the Photomask(s) were not for the manufacture of parts or components specifically designed for use in the design, development, or production of missiles, nuclear systems, weapons of mass destruction, military articles, satellites, or space systems. Unless specifically disclosed to Photo Sciences, Inc., in advance, the parts or components will not be manufactured to meet military specifications or space-qualification standards.

Customer further warrants not to sell, transfer, export, or re-export the photomask(s) in violation of the export laws of the United States. Specifically, Customer understands that such sale, transfer, or re-export may require a license from the U.S Department of Commerce, and transfers to certain countries or entities are prohibited under U.S. law.

We certify that all of the facts contained in this statement are true and correct to the best of our knowledge and we do not know of any additional facts which are inconsistent with the above statement.
